

## Since 2003 Springfield, Missouri

This school year has now come to an end. We were blessed to have two men graduate this year on May 20<sup>th</sup>. Both Dustin Pool (left) and Tony Welch (right) were exceptional students, and we are excited to see what the future holds for these two as they go out to labor in God's kingdom.

*Graduates of BIM 2023*

"Thank you for all the support that you all have given me these past few years. Your thoughts and prayers are greatly appreciated. I would have not been able to go to these preaching schools the past three years without your support and help. I have learned more about God and His word these past three years than I could have ever imagined . . . Thank you for all that you have done." –Dustin Pool

(Note: Dustin trained for a year at another school before coming to the Bible Institute of Missouri.)

"Although it was difficult, it was one of the best decisions I have made for myself. I have grown so much in every way imaginable. It would not have been possible were it not for the financial support I received . . . I would like to extend warm gratitude from the bottom of my heart to all who supported me throughout my time at the Bible Institute of Missouri." –Tony Welch

Interested in enrolling? Our next intake will begin in August 2023. Check out our [website](#) for details.

### "Global News"

*By Jerry Sullins*

Greetings in the name of Jesus Christ! On May 20<sup>th</sup>, we were blessed to have two exceptional students graduate from the Bible Institute of Missouri. In the past few years as we struggled with the Covid pandemic, we experienced fewer men who were willing to start their training. Since beginning in 2003, we have graduated forty-four men who are presently preaching in twelve different states. In August, four students will begin their second year of training, and there are also a few men have expressed a desire to begin their studies. We are thankful to God that we can train faithful preachers of the gospel for the USA.

*Staff and Students at Graduation*

**Please consider some of the great aspects of our program at BIM:**

FREE TUITION  
40+ COURSES IN BIBLICAL STUDIES  
2,400 CLASSROOM HOURS  
VETERANS APPROVED

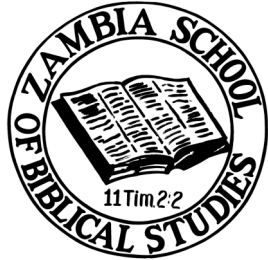

TWO-YEAR PROGRAM  
COMPLETE PREACHER TRAINING  
WORLD MISSION OPPORTUNITIES  
RECEIVE SUPPORT WHILE IN SCHOOL

Just imagine what great value a knowledge of God's word could mean for you, your family, your congregation, and the many lost souls you know. Look no further because the Bible Institute of Missouri can bring you the training you need. We are fully equipped with five fulltime, qualified instructors who will lead you into an understanding of God's Word.

Are you ready to make one of the most important decisions in your life that will prepare you for service in the kingdom and give you a greater hope of Eternal life? If you are considering this pathway in life please contact us at 417-818-7426 or [raysullins@att.net](mailto:raysullins@att.net). We hope to hear from you soon as our next classes begin on August 7, 2023.

This July we look forward to a three-man team making a trip to visit our schools in Ghana and Zambia. For this trip, we will be raising about \$10,000. These trip are essential to ensure that the work proceeds and is prosperous for the Lord. As always, we thank you and God for your support and prayers.

## Since 1998

### Livingstone, Zambia

God continues to bless the school in Zambia. The new class is off to a great start. It's hard to believe, but the students have now completed their first two quarters of study and are on their first break.

The work continues to go well, and we now have sixteen students who are remaining committed to their studies. We are thankful for them and their diligence to continue learning God's Word.

*Seminar in Ngwezi*

In May, our faculty was involved in a training seminar in Ngwezi. There were over forty in attendance to help untrained preachers learn skills to be more effective in the kingdom. We hope that some of them will pursue even more training in the future.

During the break in June, brother Webby and others are working on planting a new congregation in Sikute Chieftdom. It is about 70 km from Livingstone in the Kazungula district. Praise be to God for these great efforts.

We are excited about the continued work and future of God's kingdom in Zambia. Our brothers there are doing a great job, and we love and appreciate them all. Please keep all of these things in your prayers as they strive to do more in the kingdom of God.

## Since 2003

### Busia, Uganda

Our school in Uganda is now in its second year of studies, and the students have done a great job up to this point. The school is now in an extended break as we are having a sort out a few problems in Uganda. If things work out we will reopen classes near the end of summer or sooner. Please keep us in your prayers as we continue to deal with matters there. We know that in all things God's will shall be done, and the school will resume stronger and better than ever.

Our seventeen students are enjoying a nice break with their families. However, many of them are eager to get back to their studies and to complete their education at the school. Lord willing, we are still planning a graduation for this class in November.

*Soak pit*

During the break, we have been able to get a lot of things done around the property. Two of the things that we were able to accomplish is the completion of four soak pits for clean water run off at each of our houses on the property. The church building which is located by the school is also having its ceiling completed.

We appreciate the good work of brother James and brother Mike (instructors) to get a lot of these things done during the break. Keep these good brothers and their families in your daily prayers.

*Ceiling Construction*

## Since 2017

### Kumasi, Ghana

We are still blessed to have nineteen men training in Ghana, and the new class is really doing a great job in their studies. All of our men from visiting countries have remained faithful to their call. At this time, most of the men there are also enjoying a break at their homes, but some who live farther away stayed at the school. Lord willing, they will return to their homes during the longer break between school years.

Our teaching staff in Ghana continues to do a great job. We are so appreciative for all they do. We want to say a big thank you to brothers Anarfi, James, Henry, and Festus. They are all keeping our quality of training at the highest level and turning out some great evangelists.

Our desire is to still consider some sort of building project in Ghana. In the future, we hope to avoid rent payments and give the school a permanent home in the country. Please keep us in prayer as we work toward this major goal.

*Current Students and Faculty*

Lord willing some of us will be visiting Ghana this summer and we will have the privilege of meeting the new class. We could really use some help funding this trip as well. Please contact us if you have any further questions. Keep the good work in Ghana in your prayers!

## Since 2022

### Nairobi, Kenya

The school in Kenya continues to thrive and do well. God has truly blessed His workers there and, they are doing a great job. We are excited to report several things from Kenya.

First, we have a new teacher who will be joining us full time after the current break. His name is Kenneth Bwile. He is from the western part of Kenya and is a graduate of our school in Uganda. He is a fine family man and is very skilled in the Word of God. We welcome him to our staff.

Second, we have started to build an additional classroom because this school meets in a small house. Many of you answered this need in our last newsletter, and we are very thankful for your support. The room should be finished by the time our students return near the end of June.

*Classroom Construction*

*Baptistry*

Third, we were able to build a baptismal pool on the school compound. This will greatly aid not only the school but the congregation which meets at the school. We know this will help with the Lord's work in that area and keep the brethren from having to travel when people are ready to obey the gospel. Lord willing we will begin in the near future to try and find the congregation their own place to worship nearby.

Thanks for all encouragement and support of this school. The future certainly looks bright, and we give the glory and praise to God.
