

Since 2003 Springfield, Missouri

BibleInstituteOfMissouri.com

It is a little hard to believe that 4th quarter is now well underway. This quarter the students are taking the following classes:

First-Year Classes:
Preacher and His Work IV
English Grammar IV

Combined:
Godhead
Revelation
Timothy and Titus
Wisdom Literature 2

Second-Year Classes:
Preacher and His Work VIII
Greek IV

With the school year wrapping up, we are excited about several upcoming events. First, this year's open house will start at 9 AM on Saturday, April 13th. This is for prospective students, supporters, or anyone who would like to know more about the school. Second, the Bible Institute of Missouri (BIM) lectureship will be April 14-17, 2024. This year's theme is about evangelism. All four of our soon-to-be graduates will be speaking as well as many of our instructors. Third, the BIM graduation will be on Saturday, May 25th at 2 PM at the Kansas Expressway church of Christ building. Please make plans to attend and encourage Colin Lepley, Tyler Bird, T-Roy Hass, and Roy Goddard as they celebrate their hard work and accomplishments.

April 17: Wednesday

7:00 PM Individuals of Evangelism..... Roy Goddard
7:50 PM Challenge of Evangelism..... Jerry Sullins

Since 2003

Busia, Uganda

A big thanks to all who have supported the Uganda work over the years. The East African School of Biblical studies has been a beacon of light in Uganda since 2003, and so much good work has come from our labors done there. It is only through our joint efforts that we are able to do such great things for the Lord in Uganda, and we will continue to do our best to see that the faithful of Uganda are trained and have an opportunity to receive proper schooling.

Two Instructors and Two Students Preparing for Travel

We have had a few challenges going on in Uganda. The problems have primarily been caused by one of our previous workers who recently retired from the work. After his retirement, we learned he had tampered with our original school registration. We're now in the process of being restoring this registration. This caused us to have to delay our current class for several months until we could get this all sorted out.

Because of the delay, we have decided to send our Ugandan students to the school in Livingstone, Zambia to complete their training. These sixteen students only lacked about six months of their training when the school temporarily closed. With dorms and classrooms, our facility in Zambia has plenty of room to accommodate them.

In this first week of April, the students have already begun to return to Busia to prepare for the long journey to Zambia. Lord willing, they will be in Nairobi shortly, and after that, they will be leaving for Zambia. By the time you get this newsletter, our Ugandan students will be safe in Livingstone,

Zambia. Our plan is for their classes to begin in Livingstone on April 15th, and they will graduate at the end of September. Please keep them in your prayers as they journey and continue their schooling in Livingstone.

Students at Baggage Check

We give a special thanks to brother Scott Richards. Through the funds he oversees, he has been willing to fund the travel of our students to Zambia and continues to be the primary funder of the work in Uganda. It's a blessing from the Lord to be a fellow laborer with this good brother in Uganda and other countries in Africa.

Students and Staff Beginning the Journey

Jerry Sullins and I will be traveling to Zambia in the coming months to encourage and visit the Ugandan and Zambian students. While there, we will teach for both classes and be a part of the evangelism efforts going on in Zambia. As with any major work, one of the most important parts of being successful is having proper oversight by visiting them. So, we are always thankful for those of you who are willing to help fund such trips. If you can consider helping with our summer trip, it would be a great help and blessing. We will need around \$9,000 to fund this trip and to cover all of our trip related expenses.

Since 1988

Livingstone, Zambia

Fourteen men are training in Livingstone for their second year of studies. These men are progressing well in their studies and have a zeal to work for the Lord. We're blessed to have a great staff and class of students in Livingstone working for the kingdom of God.

We received exciting news when several students traveled to an area called Kasangula. After preaching there, a young woman was baptized into Christ!

New Sister in Christ

Thank you all for your continued help, support, and prayers for the great work in Livingstone. We couldn't do it without you all!

Written by Ray Sullins

Since 2017

Kumasi, Ghana

The work of the Lord continues to be strong in Ghana. The school and her faculty are doing well at training these faithful men to be soldiers of the cross.

Ghana Students

Our sixteen students are busy with their studies as they near graduation later this year. In November, we hope to travel to Ghana to celebrate this with them. Please keep them all in

your continued prayers. If you are able to provide any support with travel funds for this trip, it would be immensely helpful. To ensure our schools function properly and prevent problems, it's crucial to travel to each school frequently. May God continue to bless us all as we labor together.

Since 2022

Nairobi, Kenya

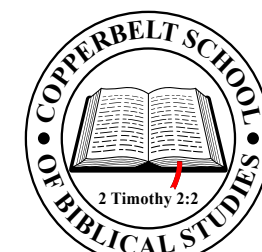

Our new class is studying well in Nairobi, Kenya. We still have our original eighteen students who began in February. One unique and exciting thing about these students is many of them are older men who have already been preaching for some time.

We are also trying to construct one more small building on our school property in Kenya for an office and guesthouse. If there is anyone who can offer their support, we would be extremely grateful. We need about \$8,000 for this project. Thank you for your prayers and support of the good work in Kenya.

Kenya Students and Staff

Written by Ray Sullins

Since 2024

Ndola, Zambia

The success of our new school in Ndola, Zambia has brought us great excitement. Things are really going well with the new school, and the new faculty members seem to be doing a great job. The great work of brothers Michelo, Ziko and Costain is ensuring this school starts on a strong note. The fourteen students in our first class in Ndola are also doing a great job.

Ndola Students and Staff

Please keep this good work in your prayers that it may do great things to strengthen the church of our Lord in the Copperbelt region. Thank you all for your support of this good work!
